Deep sleeping comes with a price

The wheeler family woke up to a normal day, which quickly took a turn.

Mike was always a deep sleeper, so he was still sleeping. Karen burst into his room angrily after telling him to get up for the third time this morning. Karen froze when she noticed someone under Mike's blanket was already awake. He's preteen cock was bulging under the cover of the sheet.

Karen was always a hungry mother, so when she saw her son's huge cock, she got wet in an instant. Breakfast could wait, Karen thought, then slowly walked to Mike's bed and sat down.

Carefully pulling down the blanket mike's cock was throbbing. It was big for his age, 6 inches. Karen was surprised, she couldn't fight, she couldn't stop herself from grabbing it.

Karen felt her throat wet and gave up the fight. He spat in his hand and grabbed his son's beautiful dick. She began to jerk his cock slowly. She was leaking under her morning robe so with his other hand she played with her clit.

When she jerked mikes huge dick for 10 minutes she knew she couldn't help his son this way.

Karen bent down, licked mike's boycock, then put it in her mouth and started sucking it slowly. She tried everything. Playing with his balls, sucking his tip, licking it up and down, from the taste of the precum she almost came, but Mike didnt. Karen got an idea. She dropped her robe on the ground. Her huge melon tits were bouncing up and down. She got back into fight and gave mike his first titjob. He felt Mike's cock pulsating and then shot seven strings of white cum onto her mom's face. Karen moaned and licked his son's cum of her own face.

She got back into her robe and started yelling at Mike.

-MICHAEL WHEELER ITS NEARLY SEVEN O'CLOCK AND YOU ARE

STILL IN BED

Mike woke up scared af and saw he's cock was in the open and her mom could see it.

He immediately covered it and apologised to her mom.

Karen walked out off the room wondering what to do next time with his son's huge boycock
